I THINK THAT XM RADIO IS POSSIBLY THE BEST SYSTEM AROUND. YOU DONT HAVE TO WORRY ABOUT PURCHASING CDS EVERYMONTH AND DONT HAVE TO WORRY ABOUT BUYING A NEWSPAPER EVERYDAY EVERYTHING IS BROADCASTED TO YOU LIVE DAILY. WHETHER ITS NEWS, SPORTS, OR WEATHER. IT WOULD BE A SHAME TO LOOSE OUT ON XM'S SERVICES. I STRONGLY URGE THE FCC TO BACK XM RADIO ON KEEPINGS ITS SERVICES RUNNING FREELY AS IT HAS IN THE PAST. i mean if it wasn't worth it i would be paying the monthly fee for it. SO i hope you listen out the the XM listners on this one and agree with us.  
thanks,
